

Hi all,

Fall is in air...at least a little bit! We know it's fall because the course is closed for overseeding. This is usually a time we all travel—hopefully if you do, you will go safely and be back and ready to play golf in three weeks.

Club Championship:

In September we finally held our Club Championship tournament after several delays due to COVID-19. This year's winners were Jean Cheszek (for the 4th year in a row!) as the Club Champion and Mary Snowden (for the 2nd year) as Sr. Club Champion. Congratulations again ladies!

General Meeting:

We also held our first ever ZOOM General Meeting on September 22. Consensus was that it worked well! Whew... I was a bit worried about how it was going to go. The meeting minutes and PowerPoint presentation are posted on our website if you missed the meeting. There were two items that required voting from the general membership.

We wish to change the By Laws to allow persons that are unable to join our club due to the Arizona Golf Association website blocking registration to play as a guest until the Arizona Golf Association website opens.

Vote for Marlyce Mycka and Karen Jordan to be on Nominating Committee to join Melanie Timberlake appointed by me from the Board.

Lorraine sent out the Survey Monkey to secure the votes. 71 members voted and all votes were yes. So, the resolutions both passed unanimously.

This is a short newsletter this month. We just had our General Meeting so not too much else to tell you. See you in three weeks to start ramping up for Solheim Cup and Member Member.

Stay Safe, Stay Well!
