

## President's Message February 2021

January brought us interesting weather. We had some gorgeous days and then some AZ WINTER. That white stuff called snow isn't that common around here but many of you know it well from your previous homes. At least shovels weren't required here (this year so far).

### **New Members:**

Our ranks are growing! We have two new members this month. Please welcome Rebecca Crenshaw and Ann Hulett when you see them.

### **League Day:**

Our League Day committee has been hard at work for you. Tightwad Tuesday (the club pays your \$5!) is being delayed to this coming Tuesday, Feb 2 due to the cancelation of League Day last week.

Just a reminder: Please continue to monitor the forecast closely for the next month or so as we could have a bit more inclement weather. If the forecast calls for conditions you don't wish to play in after you've signed up, please do the following:

1. If the scorecards have not yet been published (usually on Sunday prior)—all you need to do is email [sbrwga@gmail.com](mailto:sbrwga@gmail.com) to let us know.
2. If scorecards are out but it is still before day of play (before Tuesday), email [sbrwga@gmail.com](mailto:sbrwga@gmail.com) and notify your group.
3. If it is DAY OF PLAY, you must send both emails AND call the Pro Shop to let them know.

### **Course management:**

Please remember to use the 90-degree rule whenever prudent. Enter the fairway when you are even with your ball. If your next shot goes on the cart path side, exit at 90 degrees and drive up even with your ball. If you are on the opposite side, it may result in less time on the turf not to drive back to the cart path. Try to be aware and drive as little as possible on the turf. Having one person per cart is great for pace of play but it is causing wear and tear on our course. Be good stewards of our course.

### **By Laws and Policies & Procedures:**

The Board is in the process of doing the required annual review. If changes are proposed to the By Laws it will require approval from the membership. If necessary, we will vote via SurveyMonkey. Be watching for that email in mid-February.

There are no tournaments scheduled for February. Our first major tournament will be President's Cup on March 29 & 30. I'm not hopeful we will be able to gather for lunch by then, but we have a couple months to see how things go. We aren't out of the woods yet but at least we can see light.

Please stay safe and well  
Jeanne
