## Congratulations to State Medallion winners Mary Snowden and Alex Anna

*Alex Anna, left, had a Low Net 134, and Mary Snowden had a Low Gross 174.*

The State Medallion is sponsored by the Arizona Women's Golf Association. This tournament creates excitement among

players and places the winners in the state spotlight to represent each club. This year is especially exciting because it is our first year we will have two of our members representing the SBRWGA. The State Medallion Club Team Tournament will be held on January 13, 2014, at the Ironwood golf course in IronOaks of Sun Lakes.

The SBRWGA held the club tournament for the State Medallion in the spring of 2013. The competition consisted of two best gross and two best net 18-hole rounds out of a designated four rounds of golf. Players did not need to play all four rounds, but it gave the maximum opportunity to qualify. The winners are determined on the basis of two best rounds out of four.

Congratulations Mary Snowden and Alex Anna. Great golfing! 🌟

do if there is a situation that needs to be addressed. Board elections were held at the end of the meeting. Congratulations to the 2014 SBRWGA board: Brenda Armenia is the league's 2014 SBRWGA president,

Colleen Carey is vice president, Donna Oliverio is secretary and Cathe Streuber is the treasurer. A huge thank you goes to

On a rather cool and very windy morning of November 4, the SBRWGA hosted a successful golf tournament with a wonderful turnout. Forty-four golfers disregarded the inclement weather and enjoyed a fun day of golf. Colleen Carey and Mary Snowden were in charge of the tournament and did a wonderful job. One of the fun things was 8" holes, something everyone said they could get used to.

Following the event, Priscilla Kramer was in charge of a delicious lunch. Mike Jahaske donated two rounds of golf from Robson in a random drawing; Jeanne Hardiman and Jim Grady were the lucky winners. Cheri Utsler and Paul Lapatosky graciously took pictures.

All participants are looking forward to next year!
