

Covid-19 Precautions & Protocols – SBRGC

Tee time spacing is 7/8 minutes between groups. It is imperative that golfers do NOT start early to maintain a safe distance.

Check in will be at the outside window.

The Pro Shop is open for purchasing merchandise or customer service. Maximum 5 people are allowed in the Pro Shop at one time. A germ shield has been installed on the counter. Stanchions and signage will guide you to the counter. Please maintain a six-foot distance from others. Please wear a mask.

The cups on the greens are right side up and have a short section of plastic piping that will still allow retrieving the ball from the cup without contact. This set up will allow the ball to be holed without bouncing out due to hitting the flag stick.

Single rider carts are no longer mandatory. However, please respect the turf and observe the 90-degree driving guidelines, scatter carts and avoid GUR marked areas.

Scorecards will be available at the Pro Shop counter only. Due to hoarding, the boxes on #2 and #11 will remain empty.

League Day:

Golf Genius will rotate tee times so that if you have a late tee time one week, you will likely have an earlier one the following week. The latest tee time is estimated to be around 9:30 am.

Please pay game fee of \$5 upon check in at the window by using HOA card or with a credit card (.25 surcharge applies) The Pro Shop is unable to accept cash.

There will be ONE official scorecard per foursome. Each member should verbally agree to its accuracy, no signatures required. Two players should take a pic of the scorecard. ONE player should email the pic of the scorecard to the League Day coordinator listed on the scorecard and copy the other three players. Do not text the scorecards as they are too difficult to read. The second pic is a safeguard against technical issues. In the event the League Day coordinator can't read the card or doesn't receive it, she will request the second pic from the group. PLEASE make sure the scorecard is neat and easy to read. Be sure to note the holes where you had a Chip-In, CTP, and ACEs!

League day scores will be posted by the League Day coordinator.
